# Blackboard Connect:

This is the electronic notification system we use to get information out to our patrons that use the Children and Youth Programs.  It will notify you of upcoming events, holiday and emergency closures of our facilities.

**\*Please fill in the information below, so we know which children use our program and how you would like to receive this information:**

Child's Name: _____ Program:    CDC / Cherry Tree House

*Child's Name:* _____ Program:    CDC / Cherry Tree House

Child's Name: _____ Program:    CDC / Cherry Tree House

<mark>* The first contact number will get all notifications. Any other contacts will only get the emergency notifications *</mark>

**Notification:**                                                                                          **Receive Text:**

Primary contact number: _____          Home       Cell       Work       Yes / No

Second contact number: _____          Home       Cell       Work       Yes / No

Email address(s): _____
